

# aaronjackcreative@gmail.com

---

I'm a Python developer specialising in web based software, currently looking for an opportunity to utilise my skills in an inspiring environment. I like to constantly push myself to learn new things while staying focused on taking projects out of development and into the hands of users. I enjoy sharing my knowledge and I'm an effective verbal and written communicator.

## Skills:

Python, Django, Flask, HTML, CSS, MySQL

## Experience

---

### Jan 14 – Present, Freelance Developer

Full stack development of Python / Django web app for a leading Education Coaching company allowing schools to assess the performance of their staff and highlight improvement areas.

#### Features:

- Extended User Profile for custom user options
- PDF Reports and Invoices leveraging ReportLab
- Stripe Payment integration
- Wagtail CMS
- MySQL Database
- Jinja2 Templates
- Bootstrap 3 Frontend
- Importing and validating users and existing data from excel documents
- Automated deployment to [www.pythonanywhere.com](http://www.pythonanywhere.com) with Git/Fabric

////////////////////////////////////

Development of smaller e-commerce client sites in WordPress:

[Ruth Allen Portraits](#)

## Personal Projects

---

[spacex.ajdev.co.uk](http://spacex.ajdev.co.uk)

When: March 2018

A simple Flask App that consumes data from a community maintained SpaceX Rest API (no database).

**ottat.io** (*One Thing at a Time*)

When: March 2018 (In development)

Server-side (Django) development of a task list/goals list manager allowing the user to submit a list of goals and assign tasks(and subtasks) to them. Being developed in collaboration with members of Helm (co-working space), Doncaster.

## Other

---

I'm currently studying Computer Science via the resources on <https://teachyourselfcs.com/> and I would be interested in learning/working on a JS Framework like Angular, React or Vue.

Full UK Driving Licence

Co-founded not-for-profit youth enagement social enterprise, Breaking Beats Ltd. Breaking Beats works with young people and provides activities to enrich young peoples lives in South Yorkshire.
